Re: Abadi v. American Airlines Group Inc., et al.
Case No. 1:23-cv-04033-LJL

Dear Judge Liman:

This office represents the following sixteen defendants in the above-captioned case: Austrian Airlines AG, Air Canada, Cathay Pacific Ltd., China Southern Airlines Company Limited, Emirates, Etihad Airways P.J.S.C., Eva Airways Corporation, Finnair OYJ, Gulf Air Holding B.S.C., Alia - The Royal Jordanian Airlines Company, Kenya Airways, Korean Air Lines Co., Ltd., Lufthansa Systems Americas, Inc., Anita Ayala, Swiss International Air Lines AG and Turkish Airlines, Inc. (collectively "Defendants").

I am writing to request a one-week extension of time for these defendants to file their motion to dismiss. This is our second request for an extension. Pursuant to the Court's Order dated November 16, 2023, the motion currently is due by January 9, 2024. I am requesting the one-week extension, to January 16, 2024, because I am responsible for drafting the motion, and I just recovered from a Covid infection that kept me out of the office for 9 days, resulting in an unexpected backup of all my work.

Pro se Plaintiff Aaron Abadi today advised me that he has no objection to this requested extension.

Respectfully,

A handwritten signature in blue ink, appearing to read "CC", with a stylized flourish at the end.
